Bourgogne Aligoté 2014

Grape Variety : Aligoté

Soil : Mix of silt and chalk

Site : The area of production is located in the "departements" de Saône et Loire et de Côte d'Or.

The Vintage 2014 : After a cold and rainy winter and a frost episode in April, the warm and dry weather in spring was perfect for the flowering. July and August were more demanding but the weather improved early September a warm Indian summer settled down and enabled a perfect maturation of the grapes. The harvest took place mid September under a bright sunshine. The white wines develop very pure zesty aromas mixed with floral fragrances. The white wines are tense with citrus fruit aromas and a well-shaped acidity.

Tasting : Pale gold colour. Refreshing aromas of herbs and orchard at spring time enhanced by a subtle minerality. Crisp, well-balanced and mineral. Very refreshing.

Food pairing : Aperitif, mixed salad, and cooked pork meat "charcuteries".
