Bourgogne

Bourgogne Aligoté 2007

Grape Variety : Aligoté

Soil : Mix of silt and chalk

Site : The area of production is located in the "departements" de Saône et Loire et de Côte d'Or.

The Vintage 2007 : After a very warm spring, the weather at the start of summer was quite demanding. It became fine again from the end of August with much sun and a north wind, which aided concentration of flavours. The harvest commenced in mid-September in perfect conditions under an Indian summer. Careful selection of grapes in the vineyard and winery have produced very pure white wines, well-balanced with fantastic acidity.

Tasting : Pale gold colour. Aromas of ferns and herbs enhanced by subtle minerality. Crisp, well-balanced and mineral.

Food pairing : Aperitif, mixed salad, and cooked pork meat "charcuteries".
