

CHABLIS VALMUR GRAND CRU

2015 Vintage

Score: 16/20 – [Jancis Robinson](#) – Dec., 2016

“There is notably more classic Chablis character to the much cooler nose that combines hints of iodine and oyster shell with those of citrus, pear and soft wood scents. There is a highly attractive vibrancy and tension to the more mineral-driven flavors that terminate in a saline and markedly dry finale. This is much less 2015 in style than the Bougros. 92/100” – [Burghound](#) – June 2017

“ A little more creamy and intense on the nose than the Bougros. Citrus and a note of cedar on the palate, fresh and lively but pretty light for a grand cru though it has better length than the Bougros and it’s balanced. 16.5/20” - [Julia Harding](#) – [jancisrobinson.com](#)

2014 Vintage

"Smoked and salty notes. Retained, mineral and cold palate. Attractive flavours of crisp orange on the finish."

2013 Vintage

“Fine combination of citrus fruit, green apple, and creamy lees character, the oak influence very subtle. Subtle, dry but persistent in its mix of minerality, oatmeal and bright fruit. Crisp and long on the finish. Drink 2017-2026. » Score : 17/20 – [Julia Harding](#)
