"This is presently quite firmly reduced and it should benefit materially from a thorough aeration. Otherwise there is excellent intensity to the refined yet notably powerful middle weight flavors that possess outstanding mid-palate concentration while managing to deliver first-rate length with grace and balance. In a word, lovely. 92/ 100" - Burghound - June 2017

"This has a lovely chalky note at first, giving away to grapefruit and just a hint of that clementine aroma I get on fresher-styled Meursault. Spice from the oak too. Complex in ar restrained way. Doesn't have a lot of stuffing - or perhaps I mean drive- but they have still achieved balance here. Not terribly long. 16.5/20 » - Julia Harding - jancisrobinson.com
