

SAINT AUBIN LES PITENGERETS 1ER CRU

2011 Vintage

"Nice, fresh nose: firm, taut, sappy and very mineral. Fresh attack that is crisp and lively with fine, precise but long flavours and a lightly mineral finish. This could evolve nicely." Score: 17.25

"There is a hint of rosemary to the attractively well-layered aromas of resin, pear and white flowers that are trimmed in a background note of wood toast. There is both good volume and richness to the mouth coating and extract-rich medium-bodied flavors that culminate in a clean, agreeably dry and balanced finish that offers slightly better than average depth and length. 2016+ " Score: 89 [Burghound-June 2013](#)

"Quite linear but tight and elegant. Good overall freshness." Réussite [RVF_Juin 2012_N°562_p.110](#)

« Lifted, stony and pure. Really bright, refreshing juicy lemon character; focused rather intense and certainly racy. Lovely high wired style with a tight, longish finish. An elegant wine with lovely purity. Should be good value too. Particularly good, one of my favourite of the tasting.”

"Not a name you see often! Quite a deep colour. Very nicely put together. Tight but with lots of fruit and minerals. Dry finish. Very competent and taut." Score 16 [Jancis Robinson_Feb 2012](#)

" Lifted, stony and pure with a bright, refreshing and succulent lemon character. Elegant, high-wired style." [Decanter_ December 2011](#)

"This premier cru is from the Chassagne side, «more Chassagne, than Saint Aubin» says Gilles. Lifted, stony and pure. Really bright, refreshing juicy lemon character; focused, rather intense and certainly racy. Lovely high wired style with a tight, longish finish. An elegant wine with lovely purity. Should be good value too. Particularly good and one of my favorites of the tasting. From 2013"

SAINT AUBIN LES PITENGERETS 1ER CRU

« Just a touch smoky initially, then lively fruit underneath. Immensely rich and rounded on the palate but still fresh. Flavourful and mouth-filling. Rich rather than especially concentrated but nice juicy fresh finish. Score: 16.5 » [Burgundy 2009 Review](#) By Julia Harding MW

« Spicy and herb aromas. A lot of character, racy, fresh. Lovely. » [Weinwelt_nov_2010](#)

« An elegant, pure and airy nose of lemon rind, stone, pear and white flowers gives way to generous but well-detailed flavors that culminate in a dry, persistent and clean finish. This should also drink well early.
