Score: 16/20 - Guide des vins Bettane + Desseauve 2018

“ A pungent nose consists of wood and reduction today. Otherwise there is a lovely mouth feel to the succulent and sappy medium- bodied flavors that possess good vibrancy on the intense, firm and sleek finish. This built-to-age effort will need at least some patience. (88-91)/2023+” - Burghound - April 2017

« Initially, this was tight to the point of being austere and tough but with about an hour's worth of air, it finally became more expressive and the slight backend bitterness rounded out. A ripe a moderately spicy nose that blends mostly red fruit aromas with hints of blue and violet merge into round yet nicely precise flavors underpinned by slightly edgy tannins that are ripe but firm and dusty and certainly not suave. .My score offers the benefit of the doubt that this is starting to shut down and will require time before revisiting. »

«Ripe and tasting like freshly crushed berries, this is pure and vibrant, picking up a mineral streak as it glides to the long, spicy finish. A nice linear style. With tension.» Score 89/00 [WINE SPECTATOR](#) - May 15, 2008

«Part of the Bollinger Group for several years now, this famous Beaune house has hired the services of Jean-Pierre Confuron, a famous oenologist in Burgundy as well further afield. » [LE FIGARO](#) - April 2007

«Grape bought and picked by Chanson, dried rose, elegant, fresh, lively, small delicate tannins and crunchy on the finish. » [LE POINT](#) - March 2007
